

State Price Disclosures

As of March 17, 2025

Colorado

Wholesale Acquisition Cost Information for Colorado Prescribers

ENJAYMO® (sutimlimab-jome)

Colorado law requires prescription drug manufacturers to disclose in writing to Colorado prescribers the Wholesale Acquisition Cost (“WAC”) of marketed drugs when engaging in prescription drug marketing. This disclosure provides the WAC price for the product listed below.

NDC	Recordati Product	Dosage Form	Strength	Unit Size	Wholesale Acquisition Cost*
80203-0347-01	ENJAYMO®	Injection	1100mg/22 mL	1 vial	\$1,984.72

The price paid by patients to acquire the product listed is often different than the WAC price listed, and most patients do not pay WAC. How much a patient will pay will depend on the patient’s insurance coverage. To find out the exact cost of a prescription, patients should contact their health insurance company or preferred pharmacy.

Colorado law also requires manufacturers to provide the names of generic prescription drugs from the same “therapeutic class” as the marketed products. Colorado defines “therapeutic class” as “a group of similar drugs that have the same or similar mechanisms of action and are used to treat a specific condition.” Generic versions of ENJAYMO® are not currently available.

*Pricing as of March 17, 2025. The pricing information disclosed above represents the WAC price, which represents the manufacturer’s published catalog or list price for a drug product to wholesalers as reported to third-party drug pricing publishers. WAC does not represent actual transaction prices and does not include discounts, rebates or reductions in price. Pricing information listed does not imply safety or efficacy of the product, and no comparisons should be made.

Wholesale Acquisition Cost Information for Colorado Prescribers

SYLVANT® (siltuximab)

Colorado law requires prescription drug manufacturers to disclose in writing to Colorado prescribers the Wholesale Acquisition Cost (“WAC”) of marketed drugs when engaging in prescription drug marketing. This disclosure provides the WAC price for the product listed below.

NDC	Recordati Product	Dosage Form	Strength	Unit Size	Wholesale Acquisition Cost*
73090-0420-01	SYLVANT®	Solution	100mg	1 vial	\$1,595.93
73090-0421-01	SYLVANT®	Solution	400mg	1 vial	\$6,383.71

The price paid by patients to acquire the product listed is often different than the WAC price listed, and most patients do not pay WAC. How much a patient will pay will depend on the patient’s insurance coverage. To find out the exact cost of a prescription, patients should contact their health insurance company or preferred pharmacy.

Colorado law also requires manufacturers to provide the names of generic prescription drugs from the same “therapeutic class” as the marketed products. Colorado defines “therapeutic class” as “a group of similar drugs that have the same or similar mechanisms of action and are used to treat a specific condition.” Generic versions of SYLVANT® are not currently available.

*Pricing as of March 17, 2025. The pricing information disclosed above represents the WAC price, which represents the manufacturer’s published catalog or list price for a drug product to wholesalers as reported to third-party drug pricing publishers. WAC does not represent actual transaction prices and does not include discounts, rebates or reductions in price. Connecticut HB 6669

Signifor® LAR Intramuscular Suspension

Recordati Rare Disease provides the following information to Connecticut prescribers, as required by Connecticut House Bill 6669.

The pricing information below reflects Recordati Rare Disease Wholesale Acquisition Costs (“WAC”) for the Recordati Rare Disease product: Signifor® LAR Intramuscular Suspension. The WAC represents published catalogue or list price and may not represent actual transactional prices.

The price a customer pays may vary from the prices listed, depending, for example, on how the customer purchases the product, the availability of discounts, the wholesaler/distributor, or other charges.

PRODUCT NAME	NDC	Dosage Form & Strength	Wholesale Acquisition Cost (WAC)
Signifor® LAR	55292-0139-01	10mg Suspension	\$20,021.07
Signifor® LAR	55292-0140-01	20mg Suspension	\$20,021.07
Signifor® LAR	55292-0141-01	30mg Suspension	\$20,021.07
Signifor® LAR	55292-0142-01	40mg Suspension	\$20,021.07
Signifor® LAR	55292-0143-01	60mg Suspension	\$20,021.07

Generic versions of Signifor® LAR Intramuscular Suspension are not currently available. Information on variation efficacy of the drug marketed to different racial and ethnic groups is currently not available.

For more information on the price disclosure requirements, please contact the Connecticut State Board of Pharmacy at:

Vermont

Information for Vermont Prescribers of Prescription Drugs

Isturisa™ Tablets

- This list does not imply that the products on this chart are interchangeable or have the same efficacy or safety. Please refer to each product's FDA-approved label and indication for further information.

- The prices listed below are Average Wholesale Prices ("AWP") as established and made available to the public by a third party publisher or as calculated from data made available to the public by a third party publisher. The price paid by consumers may be higher or lower than the prices listed below. Information about AWP of these drugs is being provided to Vermont prescribers pursuant to Vermont law, to give you information about the relative prices of marketed drugs and other drugs in the same therapeutic class. (NOTE: As directed by the Vermont Attorney General's Office, the prices listed below are the Wholesale Acquisition Cost ("WAC") plus 20%, or Direct ("DP") plus 20% or Suggested Wholesale Price ("SWP"). All prices reported by third party publisher MediSpan. Recordati does not represent that the prices listed below are actual or average transaction prices.)

- The prices listed here do not necessarily reflect price per dosage, price per course of treatment or the cost effectiveness, of all the products listed. For simplicity, only the smallest package sizes available for each product are included.

Information for Vermont Prescribers of Prescription Drugs Chemet TM Capsules

- This list does not imply that the products on this chart are interchangeable or have the same efficacy or safety. Please refer to each product's FDA-approved label and indication for further information.

- The prices listed below are Average Wholesale Prices ("AWP") as established and made available to the public by a third party publisher or as calculated from data made available to the public by a third party publisher. The price paid by consumers may be higher or lower than the prices listed below. Information about AWP of these drugs is being provided to Vermont prescribers pursuant to Vermont law, to give you information about the relative prices of marketed drugs and other drugs in the same therapeutic class. (NOTE: As directed by the Vermont Attorney General's Office, the prices listed below are the Wholesale Acquisition Cost ("WAC") plus 20%, or Direct ("DP") plus 20% or Suggested Wholesale Price ("SWP"). All prices reported by third party publisher MediSpan. Recordati does not represent that the prices listed below are actual or average transaction prices.)

- The prices listed here do not necessarily reflect price per dosage, price per course of treatment or the cost effectiveness, of all the products listed. For simplicity, only the smallest package sizes available for each product are included.

Information for Vermont Prescribers of Prescription Drugs

Carbaglu TM Tablets

- This list does not imply that the products on this chart are interchangeable or have the same efficacy or safety. Please refer to each product's FDA-approved label and indication for further information.

- The prices listed below are Average Wholesale Prices ("AWP") as established and made available to the public by a third party publisher or as calculated from data made available to the public by a third party publisher. The price paid by consumers may be higher or lower than the prices listed below. Information about AWP of these drugs is being provided to Vermont prescribers pursuant to Vermont law, to give you information about the relative prices of marketed drugs and other drugs in the same therapeutic class. (NOTE: As directed by the Vermont Attorney General's Office, the prices listed below are the Wholesale Acquisition Cost ("WAC") plus 20%, or Direct ("DP") plus 20% or Suggested Wholesale Price ("SWP"). All prices reported by third party publisher MediSpan. Recordati does not represent that the prices listed below are actual or average transaction prices.)

- The prices listed here do not necessarily reflect price per dosage, price per course of treatment or the cost effectiveness, of all the products listed. For simplicity, only the smallest package sizes available for each product are included.
